Pathways to Planetary Health: A Sustainable Hospital Immersion and Sunset Esplanade Walk to Iloilo's Dinagyang Heritage

We invite you to an exclusive practice tour at **St. Paul's Hospital Iloilo (SPHI)**, demonstrating how this Global South health facility is leading the way in environmental sustainability—achieving a powerful triple bottom line (People, Planet, Profit). Witness resource-responsive innovations in action, including **solar energy, water reclamation, and smart waste management**, that enhance resilience and patient care without costly overhauls. Following the tour, enjoy refreshments from the renowned **Mestizo Restaurant**. The afternoon concludes with a guided sunset walk along the scenic **Iloilo River Esplanade**, leading to the iconic **Dinagyang Warriors Relief** cultural landmark.

Prepare to explore a practical, globally applicable model for sustainable hospital operations!

St. Paul's Hospital Iloilo

Time: March 25, 2026 from 3:30 PM – 6:00 PM

Registration Fee: 50 USD
