Integrating Cultural and Spiritual Care: A Hospice and Palliative Care Practice Tour

Join us for an insightful tour showcasing the comprehensive palliative care program at the **Western Visayas Medical Center**! You will get to participate in a walk-through of the institution's hospice services, meet the dedicated multidisciplinary care team, and experience the facilities firsthand, culminating in a **symbolic offering** that highlights the integration of cultural and spiritual care. This unique experience also includes a visit to the historic, Neo-Gothic **St. Anne Church** in Molo—the "Women's Church"—for a moment of spiritual and cultural reflection. The last stop is a celebration of Iloilo's rich heritage with a tour of the iconic **Molo Mansion**.

Be ready to witness exemplary care and immerse yourself in local history!
