Walk with a Doc: A Tour of a Preventive and Lifestyle Medicine Center

We invite Family Medicine professionals and health leaders to gain exclusive, first-hand access to a pioneering Preventive and Lifestyle Medicine service model operating within a tertiary hospital setting. Tour the **Lifestyle Center** of the **St. Paul's Hospital Iloilo (SPHI)** to see exactly how evidence-based lifestyle interventions are seamlessly integrated into clinical workflows, patient education, and community programs. Conclude this enriching experience with a restorative **Walk with a Doc** along the **Iloilo River Esplanade**, set against the famous sunset!

See the future of patient care in action!

Time: March 25, 2026 from 3:00 PM – 5:30 PM

Registration Fee: 50 USD
