Local Care, Ancestral Roots: Exploring Community-Based Family Medicine with a Heritage and Gastronomy Experience at Camiña Balay Nga Bato

Join us for a unique activity that highlights community care and culinary heritage. We begin with a facility visit to the established **Family Medicine Clinic of Dr. Reina Paz Gilo-Alipao** in Guimbal, Iloilo. This is a prime opportunity to observe the integration of clinical care, advocacy, and public service by a dedicated family physician in a community setting. Afterward, step back in time at **Camiña Balay Nga Bato**, a beautiful, century-old ancestral house. Explore its vintage charm and local weaving traditions before indulging in a gastronomic experience on the second floor. As Iloilo is a UNESCO Creative City of Gastronomy, you can savor iconic local specialties, including delicious Pancit Molo and rich, farm-sourced hot chocolate!

Let us appreciate both local healthcare excellence and Iloilo's famous heritage!

Family Medicine Clinic of Dr. Reina Paz Gilo-Alipao

Time: March 26, 2026 from 2:30 PM – 6:00 PM

Registration Fee: 60 USD
