

**Dr. Marshell Timotius Handoko** is a pioneering Family Medicine specialist and Fellow of the Royal Society for Public Health (FRSPH). Currently serving as Head of the Family Medicine Residency Program at Universitas Pelita Harapan and practicing at Siloam Hospitals Lippo Village, he is also the Founder of YDM Indonesia and a National Executive for the Indonesian Association of Family Physicians.

A recognized leader in global primary care, Dr. Handoko was honored as the Asia Pacific representative for the WONCA Rising Star World Award 2025 and received the Visionary Leadership Award at the 2025 Indonesia Family Medicine Awards. His clinical and academic work prioritizes digital health transformation, palliative care, and health equity.

**Dr. Chan Yuen Ching Cheryl** is a family physician from Hong Kong. She is a passionate advocate for young doctors and a dedicated medical educator. She obtained her MBBS degree in 2014 from the University of Hong Kong. She further pursued her training as a family physician and was awarded Fellow of the Royal Australian College of General Practitioners and the Hong Kong College of Family Physicians in 2021. In the same year, she obtained a Master's degree in Practical Dermatology from Cardiff University. Dr. Chan serves as an Honorary Assistant Clinical Professor at the University of Hong Kong and is an

IBLM board-certified lifestyle medicine physician.

Dr Chan is the immediate past global YDM lead; she is now a member-at-large of the WONCA executive. Dr. Chan advocates for the interests and well-being of young doctors globally.

**Dr. Victor Ng** completed his medical degree at the University of Manitoba and family medicine residency and emergency medicine fellowship at Western University. He is an Associate Professor and Assistant Dean, Schulich School of Medicine and Dentistry at Western University, Canada. He serves in a senior leadership role as the Director, Programs and Practice Support at the College of Family Physicians of Canada. His academic interests are primarily in medical education, health systems innovation and quality improvement. An experienced board member, Dr. Ng completed the Directors Education Program (DEP) at Rotman School of Management and attained his ICD.D

designation. He currently serves as the Board Chair of Casey House Hospital and Foundation, board member of the Heart and Stroke Foundation of Canada, and William Osler Health System.

Internationally, he is the Immediate Past President, North America Region at the World Organization of Family Doctors and serves as a consultant on several World Health Organization initiatives. He has been a sought-after international speaker and has received awards and acknowledgements including the Alumni of Distinction from the Faculty of Health Sciences and the Schulich School of Medicine and Dentistry Administrator Award of Excellence, Western University. He received the fellowship award from the World Organization of Family Doctors, the highest honour of the organization recognizing significant contribution to global family medicine and healthcare.

**Dr. Alvin Michael M. de Luna** previously served as a Rural Health Physician under the Doctors to the Barrios (DTTB) Program of the Department of Health, where he was assigned to the Municipality of Pola, Province of Oriental Mindoro, for three years. He is currently the Municipal Health Officer of the Municipality of Nagcarlan, Province of Laguna, Philippines. He is also a 4th-year Practice-Based Resident of the Department of Family and Community Medicine at Batangas Medical Center, where he served as Chief Resident from 2023 to 2026. In addition, he currently serves as the National Secretary of the Philippine Academy of Family Physicians–Residents’

Organization. He earned his Master of Public Health degree from the University of the Philippines Manila.

With a strong background in family and community medicine, public health, and health program leadership, Dr. de Luna is committed to strengthening primary health care and advancing people-centered, community-responsive health services. His guiding mission is “Kalusugan Para Sa Lahat – Walang Iwanan sa Nagcarlan.”
